

Action for Children

Trainings Scheduled for November, 2021 Scheduled for dates/times as listed either via **Zoom**, or **In-Person** *(This list is subject to change)*

Action for Children provides a wide variety of Professional Development opportunities to early care and education professionals working in centers, schools and family child care homes through our classes and special training events.

We've listened! We have heard from our Early Childhood Professionals that trainings on-line are convenient. We've also heard that learning is more effective when classes are instructor-supported, happening at a scheduled time with important opportunities for interactions. Except for a few trainings that cannot be taught on-line, the classes below will occur via Zoom and must be attended at the scheduled time ("Live Online" or "Synchronous"). When you register, please make sure you plan to attend on the scheduled date & time. The Zoom link and other information about the training will be sent one day prior to the training to the email address in your profile on OCCRRA's Ohio Professional Registry. Please keep your profile information up-to-date!

Special Note: Action for Children continues to support Early Childhood by waiving or discounting fees for most trainings!
