

Action for Children

Trainings Scheduled for January, 2022 Scheduled for dates/times as listed either via **Zoom**, or **In-Person** *(This list is subject to change)*

Action for Children provides a wide variety of Professional Development opportunities to early care and education professionals working in centers, schools and family child care homes through our classes and special training events.

Included in our January trainings are some NEW trainings, along with other trainings that our Early Childhood Community continue to need, such as health and safety trainings. Except for two trainings that cannot be taught on-line, the classes below will conveniently occur via Zoom. So that participants experience the many benefits from instructor support and valuable interactions, these trainings must be attended at the scheduled time ("Live Online" or "Synchronous"). When you register, please make sure you plan to attend on the scheduled date & time. The Zoom link and other information about the training will be sent one day prior to the training to the email address in your profile on OCCRRRA's Ohio Professional Registry. Please keep your profile information up-to-date! Questions? Please email: PD@actionforchildren.org

Special Note: Action for Children continues to support Early Childhood by waiving or discounting fees for most trainings!
