

Trainings Scheduled for September, 2022
Scheduled for dates/times as listed either via *Zoom*, or *In-Person*

Action for Children provides a wide variety of **OHIO APPROVED** Professional Development opportunities for early care and education professionals working in centers, schools and family child care homes through our classes and special training events.

Special Note: Action for Children continues to support Early Childhood by waiving or discounting fees for most trainings!

We're here to help you have a successful September! NAEYC's Developmentally Appropriate Practice, a foundational resource for Early Care and Education, has been updated! Join us for a new training and earn OA credit by participating in "DAP in Action!" for interactive dialogue to explore this revised edition. This study group will meet four times – come to any or all sessions! Taking ASQ and PAS will ensure that these important tools are used accurately. And our "Family Factor" training will provide fresh ideas for building essential relationships with new & returning families. Scroll down to see these trainings plus many more!
