

Franklin County RISE Child Care Scholarship Transfers

If you choose to leave the provider designated on this application, you must contact Action for Children immediately via RISEHelp@actionforchildren.org to communicate the decision.

You will be given 30 days to find a new child care provider before the scholarship could be discontinued. Payment for time not enrolled in an eligible child care program will be forfeited. The new child care provider must meet eligibility and program requirements. Please communicate the following information via RISEHelp@actionforchildren.org:

- Name of child
- Name of original child care provider
- Address of original child care provider
- Name of new child care provider
- Address of new child care provider
- Contact email of new child care provider
- Date of new enrollment

Payments will begin with the first full month following enrollment verification at the new child care program.

If you unenroll without prior communication to Action for Children, funds may not be available for transfer, and could be reassigned to another scholarship recipient.

If you leave the original child care provider in a manner that breaks the child care provider rules or handbook guidelines, the scholarship will honor the commitment to the child care provider and those costs will be reflected in the scholarship balance.
